**Our Mission:  
YOUR SUCCESS**

# Choose Sun Gro

Sun Gro Horticulture has teamed up with MMI to provide the best analytical services to meet your analytical needs.

We offer a wide range of testing including:

- ✓ Growing Media
- ✓ Plant Tissue
- ✓ Greenhouse & Nursery Water
- ✓ Fertilizer Solution
- ✓ Dry Fertilizer
- ✓ Golf and Turf Soil
- ✓ Field Soil
- ✓ Pesticide
- ✓ Metals
- ✓ Plant Pathology Services

You can receive your results the way you want them as quickly as possible.

- ✓ Email
- ✓ Fax
- ✓ Mailed (Postal Service)
- ✓ Online

Now you can get your results online at [www.sungroanalytical.com](http://www.sungroanalytical.com) or even track nutritional performance with your data plotted over time.

If you need help, Sun Gro's Technical Specialists will help you interpret your test results and provide nutritional recommendations or other advice.

# Testing Parameters

Measurement	Water Analysis	Fertilizer Solution	Media Analysis	Tissue Analysis
pH	✓	✓	✓
